

WE AND THE SEA

K.ADA & KEO

im addicted, covered moon, covered it aall, the connection lies on a rainbow, it never *works* . around in par-  
anoida? around with me and her, him ant is?

sinn von sinnen

nicht jeder sinn ist unsinnig.

fantlism. just in front of you

i draw with light you shine with, you both and your shapes

speak to me i listen to

play in minor und **lang**

em (x)

creciendo decreciendo

i sleep, i can't, same you , i taste your taste

tastaturas de idiomas que suenan como tu sin coma

ich mag die sprachen und ich liebe dich

a pleasure for all sinnes (fl\_e) a paradise for me

ich komme bald wieder

flee , it is to late

is it too late to see you?

the paintings in the river set on fire

the oaktree grabbed me was reaching for me ,... the sea tells me write a book "memories of the sea.wisper-  
ing salt from lips eternal "you been working again?"

i'm **in** win in wars                      -i do exactly know who you are, a flash of light, sculpt without regret, "without  
worries"                      un fantasma

utopia (more)

art

indian rhythm drum session and lecture

a laser beam under the sea, two of those one green one purple crossing somewhere on the way to 12  
houers

later where will the beam be? how does light do vanish? particles losing energy particles in a 1/0

all that swim, all is constantly moving

in the calm of the night, i sea u

we and the sea, fluxus avangard

help me to see, turn me if i don't see, direction sea

infinidad inesperada, hermoso sign as well, on 8 ouk moon.

me open, you open, she open. he open. we open.

i want to finish the poet and i want to invent a person

i don't want to finish the poet i want to be person

combinations variation summe

suuuuuuuuummmmmmmmer

i want to see you before tonight

"i sea shadow and light, green i sea i sea blue i sea a portrait from the outside i sea the noid in the eyses i  
sea limitless events, just there i sea n n n i feeee

i miss flowers and days, sea a double rainbow over the sea, in your eyes a washburn

can you sea you "*in*" *this* sea? where the color is voidless may you get a hold when you fall endless times  
alma once said

there is only one sea and it is alinsnsöndösföbinto theseaw

don't paint it

the niveau is at the horizon, phenomen

a very close emotions to the true creciendo in blue variations

the "poet 2022" is: "appropriate is a cage"

the films that you don't sea because it is extacy

a constitution of ecstasy:

1. one shall not vanish in once others eylips :

2. extinction therapy- "life wants to be lifed"

3. feminism

4. chemistry

futurism

drug design- [f4 c2 all wrong!!! BE:AM A'Stero]de

5.

extantion examination excúseme exactamente excesivo exótico extraterrestre extraño exit or exilio or i  
need nine minutes black now

and 12 more hours to catch the light beam, two of them in quantum  
relation would take you one day or less (...)

do i sleep?

la nuit, felt malte when he looked at me, "i didn't knew you also made films about the night of the white city"  
than he kissed me. but it was different.

the sky is pale , me i dream of fake plastic trees

light and the sea and we extremely dimmed to become visible

invisible light covering the moon

and then becoming visible from its touch

a touchable meeting

can you smell this touch?

another world, one of the nine suns,-one-of,,,,,,,,the friction, a frame of the sun dropping into the sea, crush-  
es there, is *evergone*

in thousand frequencies of the eye, in these burning eyes, annihilating diminishing

(in panic)

je ne suis pas un autre

sss

4000 frequencies 4 eyes 4 y i wait *my sea!*

my me i you me we du dir dich liebe ich  
within 4000 frequencies and 4 eyes 4 y my sea

exta-stacies of the sea, a written rudimentary in ur suplimer vision

swimming in your eyes i see  
surrounded by your words heating me i can see  
my sea stay close to me

it turns cold i feel arctic wind you look different today remains on matt desert

how long it needs till 11 pm?

cat taps, tab tab tab , walked over the street tab tab tab, tap jumped on the wall tab tab, tabtabt-  
abtaptabtabtab fleet the smell

an addiction to the pure movement plum plum plum  
the power of the oscillating silent  
brought glow to your skin

suspended all and all again  
somewhere i see my sea

someterse al viento

hechizar la sal
